The Lion's Gate, Briefly

In modern spiritual practice, August 8 is treated as a doorway: Leo season's courage, the dawn return of the star Sirius, and the abundance-flavored number eight, twice. It is symbolism rather than science, and symbolism is enough; a date agreed upon is a powerful place to gather your attention.

Eight themed days, a gate-day ritual, and real follow-through. A pen and honesty are the only requirements; every tool stays optional.

The arc

Awareness, Release, Worthiness, Courage, Clarity,
Embodiment, Aligned Action, Activation.

The rule

Small and done beats grand and abandoned.

The promise

None. The structure is real, the effort is yours, and that pairing is the point.

PART I

Prepare

Make room before you ask for more

Open Loops

List what sits unfinished and taxing you quietly: conversations, tasks, decisions. Then mark each one: C to close it this week, S to schedule it, R to release it entirely.

✦ The loop whose closing would free the most of me:

Energy In, Energy Out

Fills me

Drains me

✦ One boundary I will practice this season, in one sentence:

✦ How money feels this month, in three honest words:

PART II

Release

Set it down with respect

Ready to Stop Carrying

✦ I am done carrying:

✦ It tried to protect me from:

✦ In its place, I choose:

Mark the ending: write the old weight on scrap paper, tear it slowly, discard it outside. No fire needed.

The Belief Underneath

★ A sentence I say about myself that keeps me small:

★ Whose voice it originally was:

★ A kinder line I can actually believe:

“I can question an old story without
betraying who first believed it.”

PART III

Clarify

From scattered wishes to one clean intention

Underneath the Want

✦ The desire I keep circling:

✦ The feeling it would give me:

✦ The need underneath that feeling:

✦ One way to feed that need this month, no permission required:

Eight Areas, One Line Each

Wealth _____

Career _____

Love _____

Confidence _____

Home _____

Creativity _____

Wellness _____

Spirit _____

★ The area pulling hardest this season:

Top Eight, Then One

- 1 _____
- 2 _____

- 4 _____
- 5 _____
- 6 _____
- 7 _____
- 8 _____

✦ My primary 8/8 intention, one present-tense sentence:

- ☐ Specific
- ☐ Mine, not borrowed
- ☐ Has a feeling I can name
- ☐ Has an action attached

A constellation of stars and a geometric diagram on a dark blue background. The stars are represented by small dots, some with crosshair patterns, and larger multi-pointed star symbols. A geometric diagram in the lower center consists of several points connected by thin lines, forming a series of triangles. The text 'PART IV' is centered in the upper half of the image.

PART IV

Embodiment

Practice being the woman who has it

Now and Next

My current self

My future self

★ What she has stopped explaining or tolerating:

Her Profile

Her first hour of the day _____

Her money habit _____

Her standard in love _____

Her workspace _____

Her answer to overwhelm _____

★ Her decision filter, three questions she asks before a yes:

Evidence & Menu

Proof I am already becoming her

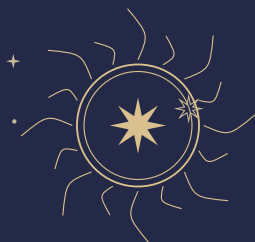

Daily embodiment menu (pick one, any day)

- ☐ Her posture for one meeting
- ☐ Her patience with one email
- ☐ Her bedtime once
- ☐ Her no, said kindly
- ☐ Her thank-you, said plainly

“Every small behavior I repeat is a vote for
her.”

PART V

Activate

Eight themed days and the gate itself

Complete my chosen ritual, unhurried.

- ☐ Grounding breath
- ☐ Prompt answered
- ☐ Action done

“I walked through on my own two feet.”

✦ What the ritual actually felt like:

The 15-Minute Gate Ritual

- ① **Ground**
Five slow breaths, longer exhales.
- ② **Release**
One finished pattern, written, torn, set aside for outside.
- ③ **Intend**
The intention aloud, once, unflinching.
- ④ **See**
Two minutes inside one ordinary scene of it, specific and warm.
- ⑤ **Script**
Three calm present-tense sentences.
- ⑥ **Commit**
One action, one date, calendared now.
- ⑦ **Close**
Water, and: done is beautiful.

The 45-Minute Gate Ritual

- 1 **Prepare (5)**
Tidy surface, silence phone, water, optional candle safely placed.
- 2 **Ground (5)**
Four counts in, six out, ten rounds.
- 3 **Release (8)**
Finish in writing: I am done carrying... I forgive myself for... I leave here... Tear it slowly.
- 4 **Intend (5)**
Test the sentence: specific, mine, feelable, actionable.
- 5 **Visualize (7)**
One full scene: morning light, your hands, one thing handled her way.
- 6 **Script (8)**
Half a page, present tense, believable beats spectacular.
- 7 **Activate (4)**
Intention onto a small card; eight slow breaths between palms.
- 8 **Commit (3)**
Actions at 24 hours, 72 hours, 8 days. First one calendared.

After: snuff the candle with thanks, eat something grounding, no comparison scrolling tonight.

Gate Day, In Ink

- ★ Through this Lion's Gate I commit to becoming, doing and allowing:

Signed, on my gate day

- ★ One image or phrase from tonight I want to keep:

The 88-Word Script

Describe the life your intention builds in exactly 88 words, present tense, every word chosen. Count them; the constraint is the ceremony.

Pocket Affirmations

- ✧ I trust the next honest step.
- ✧ I am available for aligned opportunities.
- ✧ I can receive without abandoning myself.
- ✧ My actions are beginning to match my intentions.
- ✧ Courage can be quiet and consistent.
- ✧ I make room for a life that fits me.
- ✧ I keep small promises to myself, and they are adding up.
- ✧ I honor my desire with action.

✧ My own line, in my own words:

A Three-Card Check-In

Any deck, cards as mirrors rather than verdicts: pull three for Release, Receive, Act. Note first impressions before consulting a booklet, and end with one real-world step.

Release _____

Receive _____

Act _____

✦ The action this pull suggests:

Stones, If You Like Them

Citrine

Traditionally associated with warmth and plenty; keep it near your workspace as a nudge toward optimism.

Carnelian

Associated with courage and vitality; hold it before the brave call.

Rose quartz

Associated with gentleness toward oneself; bedside duty.

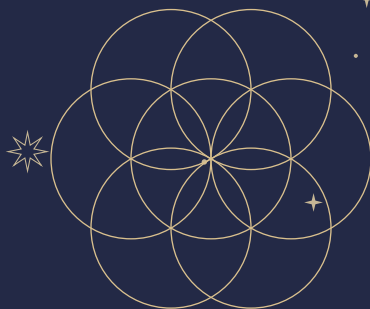

Clear quartz

The all-purpose stand-in for any intention.

Symbolic companions only; no stone treats or cures anything. A pebble from a meaningful walk serves the same purpose beautifully.

PART VIII

Notes

Room to think

Ideas & Sparks

Grid of dots for writing notes.

*Small and done, again and again, becomes a
life.*
