WELCOME

You Have Arrived.

The 369 Portal is more than a journal — it is a daily sacred practice,
a living conversation between you and the infinite field of all possibility.

Nikola Tesla believed 3, 6, and 9 hold the key to the universe.

This journal is built on that sacred code:

Write your desire 3 times in the morning to set the intention.

Write it 6 times at midday to anchor it in your energy field.

Write it 9 times in the evening to send it to the universe.

Each repetition is a signal. Each page is an act of faith.
Each completed day is proof that you showed up for your vision.

This is not a wish list. This is a portal.

Step through it — daily, devotedly, powerfully.

3 · 6 · 9 · WRITE · BELIEVE · RECEIVE

The 369 Method

3

MORNING TRANSMISSIONS

Write your desire 3 times upon waking. Morning is when the subconscious mind is most receptive and the veil between worlds is thinnest. These three repetitions plant the seed in the fertile soil of a new day.

6

MIDDAY ACTIVATION

Write your desire 6 times at midday. This mid-point practice keeps your intention alive through the distractions of the day. Six is the number of harmony — you are harmonizing your vibration with your desire.

9

EVENING INTEGRATION

Write your desire 9 times before sleep. Nine is the number of completion. Your evening writing sends a clear signal as your conscious mind releases into the quantum field of dreams and deep creation.

TIPS FOR MAXIMUM ACTIVATION

Write by hand — the physical act encodes the intention in your body.

Use present tense: "I am," "I have," "I experience."

Feel the emotion of already having it as you write each repetition.

Stay consistent — 28 days of practice reshapes your beliefs and daily habits.

Trust the process even when you cannot yet see the how.

How to Use This Journal

O1 CHOOSE YOUR DESIRE

Select one specific, emotionally charged desire to focus on for 28 days. Write your exact desire statement on the next page before beginning.

O2 WRITE DAILY – MORNING, MIDDAY & EVENING

Each day has two pages: morning/midday and evening. Complete both every day. Consistency is the key that opens the portal.

O3 ENERGY CHECK-INS

Shade the energy bar each morning and evening (1=low, 10=high). Tracking your vibrational state reveals patterns that predict breakthroughs.

O4 GRATITUDE & SYNCHRONICITIES

Log moments of alignment, unexpected signs, and things you are grateful for. The more you notice, the more the universe sends.

O5 WEEKLY & MONTHLY REVIEWS

Use the review pages every 7 days to track evidence of your manifestation, shifts in belief, and what to amplify in the next cycle.

O6 SHADOW WORK & SYNC LOG

The shadow work section and synchronicity log at the back support deeper transformation and evidence collection throughout your practice.

My Portal Desire Statement

Write the exact words you will use in your daily practice.

Present tense, personal, positive, and emotionally alive.

HOW THIS DESIRE WILL FEEL WHEN IT ARRIVES

WHY I KNOW I AM WORTHY OF THIS

My Portal Commitments

I enter this portal with full commitment to my vision.

I sign my name below as a sacred contract with myself.

I commit to writing my desire 3–6–9 times every single day for 28 days.

I commit to showing up even on days when I don't believe it's working.

I commit to noticing and recording every sign of alignment, however small.

I commit to treating this journal as a sacred ritual, not a chore.

I commit to trusting the timing of the universe and releasing outcomes.

I commit to becoming the version of myself who already has this desire.

I commit to completing all 28 days without skipping or giving up.

Where did I first learn that it wasn't safe to be fully visible and powerful?

PROMPT 1

What old story about myself is taking up space that my desire needs?

PROMPT 2

What habit, relationship, or belief is quietly blocking my portal?

PROMPT 3

If I knew letting this go was completely safe, what would I release right now?

SHADOW WORK

The Story I Tell About Myself

Your subconscious runs the programs it learned. Which ones need upgrading?

PROMPT 1

What is the core limiting belief I hold about whether I deserve this desire?

PROMPT 2

When was the first time I decided I wasn't enough for something like this?

PROMPT 3

What is the upgraded belief I am choosing to install in its place?

SHADOW WORK

My Relationship with Receiving
