The Lion's Gate Quick Start

Fifteen honest minutes for anyone beginning close to August 8

PART OF THE LION'S GATE 8/8 ACTIVATION

If the Portal Is Nearly Here

You found this close to the date, and that is completely fine; this guide exists exactly for you. In modern spiritual practice, August 8 is treated as a doorway for intention-setting: Leo season's courage, the star Sirius returning to the dawn sky, the abundance-flavored number eight standing twice. Symbolic rather than scientific, and no less useful for it. A date can gather your attention wonderfully, and attention is where everything in this guide runs.

What to print (or not)

- Nothing, if you are on a tablet or phone: every exercise works on any paper or app.
- If you like paper, print only this guide; the full workbook can wait for the weekend.
- Have scrap paper ready for the release exercise; it gets destroyed on purpose.

What not to worry about

- Supplies: none required. Candles, crystals and cards are decoration, not admission.
- Belief: curiosity is enough. The structure stands on reflection and action.
- Being late: the gate is a symbol. Even done on August 12, this works. Doors like this are made, not found.

Gentle reminder: this guide supports reflection and planning; it is not medical, mental-health, financial or legal advice, and outcomes are never guaranteed.

Fifteen Minutes of Preparation

★ The real reason I am doing this, in one sentence:

Release, Then Choose

The release (five minutes)

On scrap paper, not here, write one pattern, story or weight you are finished carrying. One is enough. Tear the paper slowly into small pieces and set them aside to discard outside your door tonight. Notice your shoulders when it is done.

✦ What I released, named once here for the record:

The intention (five minutes)

Write one present-tense sentence describing what you are choosing to build. Test it against four marks before you keep it.

✦ My intention:

- ☐ Specific
- ☐ Mine, not borrowed
- ☐ Carries a feeling I can name
- ☐ Has an action attached

A Two-Minute Visualization

Close your eyes and step inside one ordinary scene from the life your intention builds: a morning, a desk, a kitchen. Notice the light, your posture, the way you answer the first message of the day. Stay two unhurried minutes. This is rehearsal, not escape; you are showing your nervous system the standard.

✧ What I saw, in enough detail to find it again:

The 15-Minute Gate Ritual

- ① **Ground**
Five slow breaths, exhale longer than the inhale, feet on the floor.
- ② **Open**
Say quietly: I am giving myself fifteen honest minutes. That is enough.
- ③ **Release**
If anything remains beyond the earlier release, write and tear it now.
- ④ **Intend**
Read your intention aloud once, unflinching.
- ⑤ **See**
Two minutes back inside your visualized scene.
- ⑥ **Script**
Three calm sentences describing that life as if reporting it.
- ⑦ **Affirm**
One line in your own words; believable beats impressive.
- ⑧ **Commit**
One action, one date, within 72 hours. Calendar it now.
- ⑨ **Close**
Drink the water. Say: done is beautiful.

Candle optional; never leave a flame unattended. A lamp dimmed low carries the same symbolism.

The Aligned-Action Page

Within 24 hours I will _____

Within 72 hours I will _____

Within 8 days I will _____

Within 30 days I will _____

✧ If my most likely obstacle appears, then I will:

✧ Who I am telling about this plan:

✧
“I honor my desire with action.”

Tomorrow Morning

Rituals fade; follow-through compounds. Before noon tomorrow, do the 24-hour action, then answer these two lines. That is the entire assignment.

✦ How last night sits with me this morning:

✦ The action is done or scheduled for:

When you want more

The complete workbook in your download holds the full eight-day arc, the deeper rituals, the guided meditation, shadow work, scripting, the aligned-action system and thirty days of integration. It will meet you whenever this season allows.

License & Thanks

Your purchase includes a single-user personal-use license: print and use these files for yourself as often as you like. Please do not share, resell or redistribute them, or use them with clients or groups without a separate license. The full license lives in the main workbook.

Thank you for spending part of your Lion's Gate season with this guide. If it supports you, an honest review helps another reader decide whether it may support her too; and if any file misbehaves, message GlowHausDigital on Etsy so I can make it right.

May the next honest step be kind to you.

*Fifteen sincere minutes can outweigh a year of waiting for
the perfect evening.*
